

Embassy of India,
Khartoum

ADVISORY DATED 16.05.2019

Due to continued road and bridge blockades since yesterday lot of traffic hassles, diversion and traffic jams have been observed in Khartoum. All Indian nationals living in Sudan are hereby advised to remain cautious, avoid crowded places, protests and military areas, and also keep their movements restricted until the situation improves. All Indian travelers to Sudan are also advised to consult their respective clients to be visited before their travel to Sudan.
