

**Embassy of India
Khartoum**

Dated: 10th June, 2020

Advisory on Covid-19 related Evacuation Facilitation

Further to the Embassy's Advisory dated 9th June, 2020 on the evacuation flight, it is conveyed that the earlier proposed 'Air Arabia' flight on 16th June, 2020 from Khartoum to New Delhi is cancelled. Now, Embassy is proposing two charter flights for evacuation of Indian nationals from Khartoum to New Delhi and Khartoum to Kochi on 18th June, 2020. The 'Fly Dubai' Airlines has agreed to a fare of USD 515 per passenger from Khartoum to either of these destinations in India and has appointed M/s Satguru Tours and Travels Co., Khartoum, as their ticketing agent in Sudan to book the tickets and collect charges on its behalf.

Therefore, all fellow citizens who need to travel to India may contact M/s Satguru Tours and Travels Co. to book the tickets for the flights.

During the first evacuation on 3rd June, 2020, some issues of urgent nature were noticed. Several people did not have Yellow Fever Vaccination Card and which is a must for travelling to India. Secondly, many people had not registered with the local police or security agencies on their arrival in Sudan. This presented problems at the last minute. So, all interested evacuees may take necessary remedial measures on these two issues as well.

The names of the people registered with the Embassy are as under:
