

**Embassy of India  
Khartoum**

\*\*\*

**ADVISORY DATED 18 APRIL 2019**

All Indian nationals living in Sudan are hereby advised that situation in Khartoum and other parts of Sudan may not be normal yet with several large protests planned over the weekend. Therefore, they are advised to remain cautious, avoid crowded places, protests and military areas, and also keep their movements restricted until the situation improves. All Indian travelers to Sudan are also advised to consult their respective clients to be visited before their travel to Sudan.
