

**Embassy of India
Khartoum**

Dated: 22nd June, 2020

Advisory on Covid-19 related Evacuation Facilitation

To facilitate further evacuations of interested/stranded Indian nationals, the Embassy has received only 90 registrations in response to its latest drive. The lowest quote for airfare per passenger on the sector Khartoum-Kochi is as follows:

- (i) 100 seater Air Arabia flight - USD 910
- (ii) 120 seater Air Arabia flight - USD 775
- (iii) 136 seater Gulf Air flight - USD 610
- (iv) 168 seater Air Arabia flight - USD 535
- (v) 189 seater Fly Dubai flight - USD 477

2. As is evident, the airfare is quite high for low no. of passengers. Moreover, we do not have the nos. to fill even the smallest, 100 seater flight. The Embassy would therefore suggest that interested Indian nationals/Associations/Travel agencies depending on their urgency to travel may wish to explore the possible option in terms of price, date and number of passengers for the next flight. Embassy assures its full support and cooperation in getting the required clearances from the authorities in both the countries.
